FRIEDMAN & DOWNEY  
PROFESSIONAL CORPORATION

**Friedman & Downey, P.C., to attend and participate in the 2007 COSSConference.**

Doug Friedman, Friedman & Downey's founding partner, will present two sessions at Coss Development Corporation's annual conference taking place at Disney's Coronado Springs Resort from May 15-17, 2007. The COSSConference is a two-day seminar sponsored by Coss Development Corporation, a software development company serving the insurance and financial services industries.

One of Mr. Friedman's sessions will focus on compliance and the other on product trends and regulations. Conference attendees will hear presentations from a broad range of insurance executives and trusted industry resources on a variety of topics, including simplifying the sales processes and maximizing the effectiveness of software solutions.
