

Friedman & Downey, P.C. Co-Sponsors 14th Annual Dynamics of Disability Seminar

Friedman & Downey, P.C., is co-sponsoring the 14th Annual Dynamics of Disability Seminar. The Seminar assembles over 300 experts and industry leaders to discuss challenges and opportunities facing the disability insurance industry. This is the first time Friedman & Downey has been among the Seminar's sponsors.

The Dynamics of Disability Seminar brings together leading representatives from the disability industry community, including insurance underwriters and actuaries, claims managers, marketing and sales professionals, and analysts. We are honored to be a part of this important event, which provides an exceptional opportunity to discuss trends in the industry, and ways in which to best serve America's disabled claimants.

The Dynamics of Disability Seminar will take place March 7 – 9, 2007, at the Hyatt Regency Coconut Point in Bonita Springs, Florida. The program will include more than 20 general sessions, workshops, and roundtables addressing disability risk management, products and distribution, and research, all presented by professionals from around the world.
